

## **Roundtables Recap, Cluster 4 Moving Home, Cluster 5 Remediation Underway**

The Los Angeles Regional Water Quality Control Board (Regional Board) hosted Carousel neighborhood roundtable conversations on June 10 to address residents' questions and concerns regarding the status of on-going cleanup activities and the cluster reconfiguration.

The Regional Board team will be having an informational tabling event in the neighborhood on Saturday, September 30, 11 a.m. – 2 p.m. at 24628 Marbella Avenue to talk to residents one-on-one. Shell will also host an Open House to coincide with this event.

To date, 30 homes have remediation completed and most of the residents from Clusters 1, 2 and 3 have moved back home as of the end of August 2017. We are now in the final phase of Cluster 4; residents will move back home during the week of September 14.

The sound walls are up at Cluster 5 (north of 247<sup>th</sup> Street). Residents have moved out and are scheduled to be out of their homes until late December.

All individual meetings with Cluster 6 residents have been completed and those residents are scheduled to move out in late October. Initial group meetings for residents in Cluster 7 and Cluster 8 are scheduled for mid-September; cleanup activities at their properties will start in 2018.

Please note: The bi-annual residential sub-slab vapor sampling of probes at most properties that is required in the approved cleanup plan (RAP) for the project is nearly completed; if you have received a notice from Shell and have not done so, please contact Shell's hotline (310-857-2335) to schedule.

If you have any questions or concerns, contact the Regional Board:

Dr. Teklewold Ayalew, Regional Board Project Manager • (213) 576-6739 • [Teklewold.Ayalew@waterboards.ca.gov](mailto:Teklewold.Ayalew@waterboards.ca.gov)

Susana Lagudis, Regional Board Public Participation • (213) 576-6694 • [susana.lagudis@waterboards.ca.gov](mailto:susana.lagudis@waterboards.ca.gov)

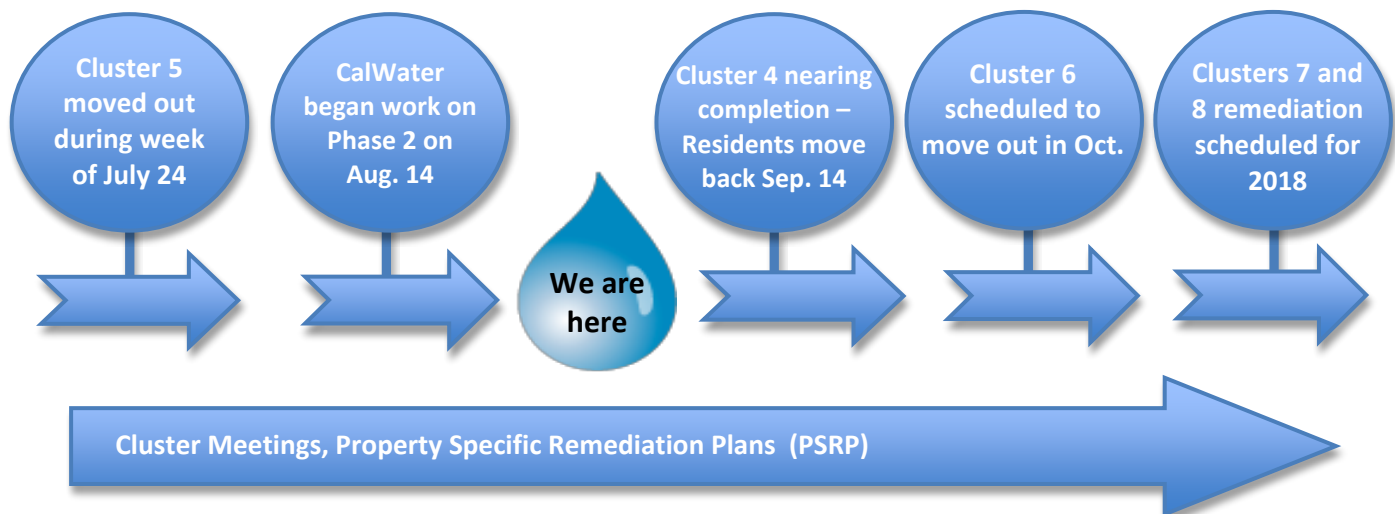

You may also call the Shell Hotline at (310) 857-2335. Or drop by 24628 Marbella Ave. which is staffed by Shell's representatives Monday-Friday, 8-4 p.m.

### Cleanup Activities Sequence

Cleanup activities may be subject to change

### California Water Services (Cal Water) Update

CalWater began work on Phase 2 of their project to replace the main water line in the Carousel tract on August 14, 2017 and is scheduled to take three months to complete the rest of their work.

Installation for the final phase will take place:

- On the 24400 to the 24700 blocks of Marbella Ave.
- On Neptune Avenue, from E. 244<sup>th</sup> Street to E. 248<sup>th</sup> Street
- On Ravenna Avenue, from the E. 244<sup>th</sup> Street to E. 247<sup>th</sup> Street
- On Panama Avenue, from E. 244<sup>th</sup> Street to E. 247<sup>th</sup> Street
- On the 300 block of E. 244<sup>th</sup> Street

Work will be performed Monday through Friday, 7 a.m. to 5 p.m. For updates, please visit
